Approved For Release 2006/11/07 : CIA-RDP74B00415R000200100045-6

DRAFT

9. (Secret - JGO) Met with Mr. Frank Slatinshek, Chief Counsel, House Armed Services Committee, and gave him a copy of Judge Bryan's opinion in granting permanent injunction against Victor Marchetti's publication of material concerning the Agency. Mr. Slatinshek was pleased to receive it.

Mr. Slatinshek told me that as a followon to the Maury/Carver briefing of the Intelligence Subcommittee, Chairman Nedzi has become interested in [redacted] 25X1 He said the Chairman is also interested in the statements reported in this morning's press and attributed to Senator Jackson to the effect that the new Soviet missile can handle a 50 megaton payload. Slatinshek said he would also appreciate a briefing on what this is all about. I told him I would verify the facts and be back in touch with him.

10. (Internal Use Only - JGO) Met with Messrs. William Phillips and Norman Cornish, Foreign Operations and Government Information Subcommittee staff of the House Government Operations Committee, and discussed briefly with them H. R. 15172 which would codify a portion of Executive Order 11652 relating to classification and declassification of national security information and material. In a word Mr. Phillips assured me that the Committee had the best interest of the Agency at heart in drafting this bill and had assured our exemption by material contained in Subsection (e)(3) of Section 4 and gave me a copy of the Committee draft and Committee sectional analysis for our review.

11. (Confidential - JGO) Talked to [redacted] CI Staff, concerning 25X1 a request relayed to him from his counterpart in the Department of State for release of the Burma/Thailand narcotics reports mentioned by Jack Anderson to John Brady, House Foreign Affairs Committee staff. I advised [redacted] 25X1 that the Agency has reviewed similar requests for release of these documents to several members. I noted, however, that he might pass to his counterpart, for Mr. Brady's benefit, that a classified briefing would be provided by the Agency if desired by the Committee Chairman.
